

Contest Deadline Extended:

The 21st JQA International Environmental Children's Drawing Contest

In consideration of the expanding coronavirus pandemic, we have extended the 21st contest submission deadline to Monday 31 May 2021.

The decision is in response to having been receiving many requests for extension as many countries are carrying out school closures, lockdowns, and freighter restrictions. Please note that the theme "Our Earth in 2030" will remain the same.

Any further updates will be announced on our website. We thank you for your understanding and look forward to receiving many artworks.

We sincerely wish for everyone's health and safety, and for the soonest resolve of the pandemic.
